### Your Enquiry

Please include as many details as possible of the sign panel sizes, shapes, background colours, the wording / text you require, along with high quality copies of any crests, logo's or artwork that you would like us to include. Our designers will then work with this information to create your new church signs and will send you a colour proof and our written quotation for your consideration.

### Our Prices Include:

Free initial design and any amendments until you are **100% happy** to proceed with your chosen design. Manufacture of sign panel with Anti Graffiti Protective Face Film Applied. Pre-drilled fixing holes with radius corners and a wall fixing kit.

### Fixing Solutions

These signs can be fitted to walls, wooden fences, fascias, PVC cladding in fact anywhere where there is a flat surface. Although we supply these panels with pre-drilled holes we can supply the panels with no holes or we can drill the holes where you specify. This is especially useful when fixing signs to wooden gates. They come complete with everything required including screws, wall plugs, and coloured screw caps.

### Our New Prices for ACM Wall Mounted Church Signs Also Now Include Anti Graffiti Face Film Fitted to the Sign Face as Standard

Anti Graffiti Protective Face Film (PFF) is a thin, clear UV resistant film which is applied to the face of signs during the manufacture process. PFF helps to protect your signs against the damaging UV effects of the Sun, damage by spray paints, solvent and water based markers, airborne salt and sea spray, inquisitive little fingers and everyday dirt and road grime.

### FASTER DELIVERY TIMES

We have worked hard to improve our production times and can now offer our Flat Plate Signs with new faster delivery times as well as our new lower prices.

### Aluminium Composite Material (ACM)

Is a durable rigid aluminium faced sheet material which is widely used to manufacture signage and displays. It offers UV resistance and is 100% waterproof therefore ACM is ideal for long term indoor or outdoor signage and display applications
