Our Prices Include:

Free initial design and any amendments until you are **100% happy** to proceed with your chosen design. Manufacture of sign panel with Anti Graffiti Protective Face Film Applied. Post fixing rails to the rear of the panel, nylon post end caps, sub-surface anti-rotational base plates and stainless steel post fixing clips.

Our New Prices for ACM Post Mounted Church Signs Also Now Include Anti Graffiti Face Film Fitted to the Sign Face as Standard

Anti Graffiti Protective Face Film (PFF) is a thin, clear UV resistant film which is applied to the face of signs during the manufacture process. PFF helps to protect your signs against the damaging UV effects of the Sun, damage by spray paints, solvent and water based markers, airborne salt and sea spray, inquisitive little fingers and everyday dirt and road grime.

Delivery

Due to the size and weight of our products we use a commercial courier company who will transport the larger sizes, weights as well as the long aluminium posts that are required with our post mounted signs. Most courier companies do not deal with such sizes.

Unfortunately they will NOT give delivery time slots. Delivery can be set for a particular date but not a time. Deliveries are Monday - Friday 8am - 5.30pm Deliveries to residential addresses do incur a surcharge as these are commercial couriers only using larger vehicles.
